About This Content

When a violent tremor shatters the islands of the Deadfire, the greatest wizards in Eora seek out the aid of the Watcher. The archmage Maura has vanished into the depths of a newly opened dungeon located in the Black Isles and threatens to awaken what lies forgotten there. Follow Maura's trail and determine the fate of one of the Deadfire Archipelago's most closely-held secrets.

- Traverse an expansive dungeon built into the flesh of a sleeping god.
- Encounter the highest-level challenges yet faced by the Watcher and their companions.
- Scheme with or defy the wills of Eora's most powerful wizards.
